

Dear San Antonio Academy 8<sup>th</sup> grade parents,

We hope you are enjoying your summer and trying to keep cool. Summer break is nearly over and we have already begun work on the 8<sup>th</sup> grade video.

We need your help! We will need for each of you to gather pictures of your son to be included in this year's video. Here is what we need-

1. 3 to 4 photographs from ages 1-3
2. 3 to 4 photographs from ages 5-7
3. 10 or more photographs from your son's early years of life, both at school and home. Things such as hobbies, sports, family, religious occasions, military life, art show, choir, special holidays, young astronauts, school clubs, class field trips and retreats are some examples of what we would like.

Please label each photograph with your last name, and write the word "video" on the back of each picture using only a **BALL POINT PEN**. Place the photographs in an envelope and turn them in to us during back to school day. You will receive your photos back at the end of the year during the 8<sup>th</sup> grade luncheon.

Please be diligent to take photos of your son during his 8<sup>th</sup> grade year, as they will be vital to the quality of the finished video.

While we would love to include every picture in the video, it unfortunately won't be possible. We will do our best to balance the video and represent each and every boy in our class with special care.

We are very excited to be creating a treasure for each of you and your son. We are looking forward to working with you throughout the year. Please call with any questions.
