

San Antonio Academy 5th to 8th Grade e-Reader Acceptable Use Policy

E-Reader Acceptable Use Policy

1. All e-Readers must be registered with the IT Department and accompanied **by the Acceptable Use Agreement Form signed both by the parents and the student every year.**
2. E-Readers are to be used **only** for the reading of school-approved material (books, etc.) and not for other purposes such as communication, entertainment, music, gaming, etc.
3. Only **WiFi-Only dedicated e-Readers** may be brought on campus. (A dedicated e-reader is distinguished from "general purpose computing devices" such as smart phones, laptops, and tablets which may, among other things, be used to read ebooks.)
4. E-Readers must be used at appropriate times in accordance with teacher instructions. The e-Reader must not be a distraction for the student or those around him nor be a source of any classroom disruption.
5. The student is responsible for knowing how to properly and effectively use their e-Readers and this should not be a burden for the teachers.
6. The e-Reader must be ready to use (charged) and already have all the necessary books loaded. Students will not be allowed to upload books at school.

A student who violates any portion of the e-Reader Acceptable Use Policy will immediately lose the privilege of using his e-Reader at school for a length of time commensurate with the nature of the violation.
